

**2009+**  
**FORD KA**  
**CENTRAL LOCKING & POWER WINDOW KITS**

The new Ford Ka Studio is the entry level vehicle to the Ford range and offers great value for money, but no central locking or power windows! The new Wolfelec kits offer a professional upgrade solution to give the customer the facilities they require and add extra profit to the sale.

**25002 Power Window Kit**

The Wolfelec 25002 kit contains all the components to convert the Ford Ka to "Original Equipment Quality" power windows.

- 2 x Cable Drive Replacement Mechanisms
- 2 x Switches for centre console
- 2 x Blanks to cover the winder aperture
- 1 x Harness, and all fittings

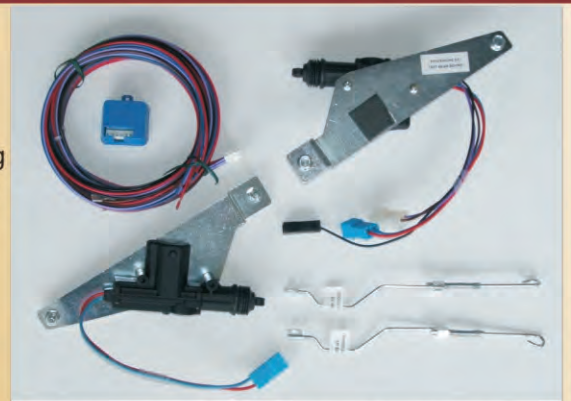

FULL INSTRUCTIONS INCLUDED

STEP BY STEP INSTRUCTIONS INCLUDED

The Wolf FW 091 contains all the components to convert this cable locking vehicle to central locking without having to cut the factory lock cable. Everything just bolts in place.
